

We wish to invite you to join us at the "6th ISABS Conference on Human Genome Project Based Applications in Forensic Science, Anthropology and Individualized Medicine" in Split, Croatia, June 1-5, 2009. This event will feature the latest advances in forensic genetics, molecular anthropology, individualized medicine and related areas; it will be a forum for exchange of pertinent information, ideas and technical developments in the form of lectures, technical hands-on workshops, round-table discussions and poster presentations.

TOPICS

- Perspectives in Genome-Based Science and Applications
- Genome-Based Applications in Forensic Science
- Human Evolution
- Analysis of Ancient DNA
- Individualized Medicine
- Genetic Variability
- Genetic Basis of Disease
- DNA Database: Reality and Perspectives
- DNA analysis in the justice system

- Workshop on Low-Copy Number Analysis
- Workshop on Next Generation DNA Sequencing

MANUSCRIPTS

Croatian Medical Journal is the official journal of the meeting and selected manuscripts will be published in thematic issue related to the Conference. This publication is listed in all major scientific indexes. Guidelines for paper submission are available at www.cmj.hr. For additional information please contact editor in chief, Professor Matko Marusic and mention the Conference. Manuscript submission deadline is February 1, 2009.

ABSTRACTS

We invite your submission of abstracts for poster presentations. Online abstract submission is available at www.isabs.hr. Abstract submission deadline is March 1, 2009.

THE YOUNG INVESTIGATOR AWARD (YIA)

In keeping with tradition, the organizers will bestow several Young Investigator Awards for outstanding research presented by investigators who are less than forty-years-old. Each award will provide the opportunity for a podium presentation and an attractive prize. More information about YIA is available at www.isabs.hr.

EARLY REGISTRATION

Online registration and information about registration fees is available at www.isabs.hr. Early registration deadline is March 1, 2009. To secure the early registration fee, please register by this date.

STUDENT REGISTRATION

The Conference especially encourages participation of postdoctoral fellows and students and their involvement in workshops, round-table discussions and poster presentations. In addition to these scientific activities personal contact with worldwide-acknowledged experts is organized through numerous social events. We invite all students/fellows to apply for YIA. 50 % discount on registration fees is available for students/fellows.

GROUP REGISTRATION

For groups of five or more participants from the same institution reduced rates are available if registered before March 1, 2009.

HOTEL ACCOMMODATION

Hotel accommodation in Split is in short supply during September. It is strongly recommended that you make your hotel reservation well in advance. Special, lower rate is offered for the participants of the Conference that will be accommodated in Hotel Le Méridien Lav, Split (conference venue). Please make your bookings by contacting VenEvent, the official conference service agency. Be sure to mention the Conference so you can get reduced rates!

We look forward to your participation!
